## Preventing and Responding to Sexual Harassment in the Workplace Training

*Essential to helping organisations comply with the Worker Protection Act 2023 and the duty to prevent sexual harassment in the workplace.*

**SAFELINE.ORG.UK**

**Safeline is a standards based, best practice, specialist sexual abuse support agency.**

## Our Training

A 3-hour interactive workshop focused on sexual harassment in the workplace. The sessions are delivered in-person or online to employers and employees and tailored to meet individual needs.

### **Training outcomes:**

- Understand the prevalence of sexual harassment in the workplace.
- Understand how to implement effective measures to prevent it.
- Equip with the knowledge on how to properly respond when it occurs.
- Understand how to support those who are victimised as a result of it.

This training will assist all organisations to comply with the new Worker Protection Act 2023 and avoid increased compensation claims and reputational damage.

## Topics discussed include:

- The impact of sexual harassment on individual and organisational wellbeing.
- What behaviours constitute sexual harassment.
- How to report sexual harassment.
- The law relating to sexual harassment.
- How to create a zero-tolerance approach to sexual harassment in the workplace and improve the culture of the organisation.
- Creating a safe, productive environment for all.

## Why Safeline?

Safeline is an independent charity that supports those affected by sexual abuse and works to prevent its occurrence. We are experts in safeguarding and have a deep understanding of how to keep people safe.

Our training goes beyond workshops. We can offer advice, information, and support on issues relating to sexual abuse and harassment in the workplace. Working with Safeline fosters a safer workplace and helps fund vital services for survivors of sexual abuse and harassment.
